## Beyond Medical vs. In-House Staffing

YES NO

**Time for Hiring** Your staffing needs can't always wait the weeks or months it takes HR to qualify and onboard candidates. **Is your in-house team able to fill jobs within 1 to 2 days?**

YES  NO

**Specialized Experience** You want to ensure that roles at your facility are being filled with experienced clinicians rather than green staff that will burden existing staff. **Does your in-house team have access to these individuals?**

YES  NO

**Lower Overhead Costs** Hiring costs more than a salary and includes workers' comp, payroll taxes, and other costs that companies have to cover. Our staffing facility covers these additional costs, lowering your overhead. **Do you have the budget to hire and support a new employee?**

YES  NO

**Simplified Process** Multiple jobs mean multiple job descriptions that have to get posted and reviewed regularly for candidate applications. **Is your in-house team able to efficiently handle multiple job requests at once?**

YES  NO

**Try Before You Hire** Sometimes the only way to know if an employee is a good fit is to work with them. **Does your in-house team extend a trial period to a potential employee prior to officially hiring them on?**

YES  NO
